

# Aesthetic Checklist

## PHOTOS:

- \_ Pre-op (and/or) Provisional Full Face Natural Smile\*\*
- \_ Pre-op (and/or) Provisional Nose to Chin Natural Smile\*\*
- \_ Pre-op (and/or) Provisional Full Face Retracted Smile\*\*
- \_ Pre-op (and/or) Provisional Nose to Chin Retracted Smile\*\*
- \_ Stump Shade with multiple stump shade tabs in picture
- \_ Final Shade with multiple shade tabs in picture
- \_ Stick Bite/Face-bow (Cannot use Stick Bite/Facebow unless we have a corresponding photo to verify with)  
(full face retracted natural smile can be substituted for this photo)

THESE are the minimum requirements, the more photos the better, profile, lip at rest, multiple smile photos, ect.

\*\* MUST have corresponding impression or model to go with photos, the model and photos work together as a pair, cannot have one without the other. They must be the same.

\*Patient's eyes must be open and cannot be numb for smile photos.
